

Road Tolls. (Bompenger)

Effortlessly integrate real-time road tolls from Norway into your mileage expense reports.

Feature benefits

- Simple activation.
- Automatic toll fee calculation for employees.
- Supports all Norwegian roads, tunnels, bridges, and ferry routes.

It's easy to get started

1

Activate the add-on service.

2

Enable "Road Toll Expense" in the settings under the cogwheel.

3

Mileage reports now include an automatically calculated Road Toll field.

4

Make sure to inform your team about this new integration.
